THE

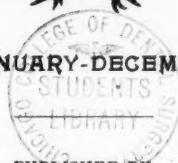

# DENTAL DIGEST

A Monthly Summary of Dental Science Devoted  
to the Progress of Dentistry.

THE OFFICIAL ORGAN OF THE  
**DENTAL PROTECTIVE ASSOCIATION**  
OF THE  
UNITED STATES.

VOL. I, JANUARY-DECEMBER, 1895.

PUBLISHED BY  
**J. N. CROUSE, D. D. S.,**  
CHICAGO, ILLINOIS.

Cat 8/2/83 MILN

## TABLE OF CONTENTS.

ORIGINAL CONTRIBUTIONS.	PAGE.
A Bit of Personal Experience, by C. W. Stainton.....	391
A Blot on the Profession, by Geo. H. Cushing.....	703
A Digest, by Carl Fisher.....	263
A Few More Words on Pyorrhœa, by A. N. Elliott.....	85
A New Operation for Excision of the Inferior Dental Nerve, by T. W. Brophy.....	174
A Protest, by C. W. Stainton.....	136
Advanced Dental Education, by A. E. Morey.....	175
An Interesting Case in Practice, by A. H. Peck.....	516
Anterior Teeth, by D. Murlless.....	706
Artificial Dentistry among the Etruscans, by Chas. W. Dunn.....	92
Bricks without Straw, by Geo. L. Parmelet.....	710
Case in Practice, by Prof. W. D. Miller.....	76
Chemical Opening and Sterilization of Root-Canals, by A. C. Hull.....	708
Coagulants, Self-Limiting, by A. W. Harlan.....	178
Conservative Bridge-Building, by Ira B. Archer.....	611
Do We Want to be Classed as a True Profession? by J. E. Davis.....	261
Filling with Gold; Experiences with the Libby Method of Burnishing, by C. L. Dodge.....	712
German Silver Matrices, by G. A. Bronson.....	326
Hearing Restored after Twenty-five Years, by G. L. Bennett.....	452
Hinged Saddle, by A. J. Stevens.....	202
Higher Dental Ethics, by J. H. Smyser.....	205
Mechanics in Bridge-Work, by Emory A. Bryant.....	198
Method for Adapting Logan Crowns, by R. Ottolengui.....	132
Method of Determining the Comparative Adaptability of Cohesive and Non-Cohesive Gold under Pressure, by Prof. W. D. Miller.....	79
Method of Repairing Rubber Plates, by A. B. Crawford.....	458
Mounting Logan Crowns, by J. W. Heckler.....	203
New Method of applying Force in the Regulation of Teeth, by Edward H. Angle.....	6
Plastics, by W. B. Ames.....	172
Porcelain Inlays, by A. W. Harlan.....	169
Preventive Dentistry, by I. P. Wilson.....	70
Progressive Dentistry, the Result of Universal Education, by J. C. Townsend.....	264
Pyorrhœa Alveolaris, by P. T. Smith.....	641
Ralph's First Dentistry, by I. P. Wilson.....	138
Regulating Case in Practice, by Chas. E. Luce.....	15
Simple Method of Refitting Plates, by J. R. Pagin.....	580
Suggestions on Developing and Conducting a Dental Practice on Business Principles, by J. N. Crouse.....	1, 65, 129, 193, 257, 321, 385, 449, 513, 577, 639
Suggestions on the Treatment of Bicuspid teeth, by Chas. W. Jenkins.....	73
Tardy Development of Incisor Teeth, by L. H. Robinson.....	581
The Administration of Gas, by W. H. Duddy.....	327
The Dentist Abroad, by M. Kraus.....	334
The Etiology of Defective Enamel, by W. E. Royce.....	19

<b>Steam Pressure Gauges.....</b>	<b>497</b>
<b>Suggestions on Crown and Bridge-Work, by F. B. Kremer.....</b>	<b>613</b>
<b>Sulphuric Acid and Peroxide of Sodium in the Treatment of Pulpless Teeth, by F. T. Van Woert.....</b>	<b>150</b>
<b>Surgical Treatment of Ulcerated Teeth, by J. G. Parsons.....</b>	<b>735</b>

## TABLE OF CONTENTS.

	PAGE.
Successful Treatment of a case of Gunshot Wound of the Lower Jaw, Causing Compound Comminuted Fracture, by R. G. Beale.....	520
Suspension Denture, by C. L. Alexander.....	414
Syphilis, with Special Reference to the Relations of the Dental Profession to the Disease, by H. A. Pulsford.....	606
Systemic Medication in Dental Practice, by W. F. Litch.....	478
Technique of Nerve Resections for the Relief of Pain, by M. H. Cryer.....	50
Teaching of Histology and Anatomy in Dental Colleges, by C. M. Wright.....	160
Teeth of Cliff Dwellers, by J. W. Greene.....	349
Teeth of Our School Children, What Can be Done to Save Them? by J. C. McCoy.....	160
Theory and Results, by G. L. Curtis.....	484
The Making of Alloys for Dental Amalgam, by J. O. Brown.....	612
The Scientific Spirit and the Ethics of Dental Practice, by C. J. Essig.....	421
Third Dentition, by Albert H. Mebes.....	111
To Make Dies for Small Cases Without Moulding, by D. W. Barker.....	350
To Make Plates of Uniform Thickness, by D. W. Barker.....	519
Treatment of Decay of Deciduous Teeth, by L. G. Noel.....	275
Treatment of Pulpless Teeth, by A. T. Hyde.....	166
Treatment of Putrescent Pulp Canals and Resulting Lesions, by J. D. Hodgen.....	342
Trichloracetic Acid, by J. A. Stackhouse.....	467
Tumors of the Mouth, by C. G. Darling.....	547
Two Cases of Infantile Scorbutus, by E. C. Kirk.....	417
Two cases of Total Anaesthesia during Intended Local Anaesthesia with Chloride of Ethyl, by H. J. Carlson.....	676
Unprofessional Prosthetics, by G. N. Johnson.....	272
Use of Electricity in the Treatment of Hemorrhage, by M. G. Jenison.....	739
Use of Turning-Lathe in Laboratory, by G. W. Woodborne.....	341
Use of Sulphuric Acid in the Treatment of Roots for Immediate Filling, by Chas. Welch.....	161
Varnishing Cavities, by W. G. Browne.....	283
What a Dentist saw in Examining Five Hundred Crania, by M. H. Fletcher.....	422
Why Doctors Stick to Latin Words.....	590
Why the Women Fade, by Shirley Dare.....	478

## PROCEEDINGS OF SOCIETIES.

American Dental Society of Europe.....	12, 73
Chicago Dental Society.....	168
Chicago Odontographic Society.....	205
Fiftieth Anniversary of the Discovery of Anaesthesia, by Horace Walls.....	31
Western Pennsylvania Odontological Society.....	299

## LETTERS.

A Reply from Ohio.....	239
Criticism from New York.....	368
Criticism from Springfield.....	240
Dentist versus Physician.....	375
Encouragement from Dr. Bonwill.....	47
Go Thou and Do Likewise.....	629
Immediate Root Filling.....	104
Letter of Approval.....	437
Letter from C. M. Wright.....	13
Letter from Florida.....	239
Letter from London.....	103
Letter from Missouri.....	371
Letter from Philadelphia.....	629
Let Each One Have His Say.....	746
More Encouraging Letters.....	562
New York Letter.....	180, 307, 372, 433, 502, 563, 630, 693, 748
Peculiar Accident from Michigan.....	184

## TABLE OF CONTENTS.

7

	PAGE.
Reply to the Springfield Criticism.....	241
Reply to the New York Criticism.....	368
Reply to Dr. Driscoll.....	306
Some Encouraging Letters.....	505
The Crowning of Deciduous Teeth.....	310
Who would Not Try to Benefit His Profession?.....	689

## EDITORIAL.

A Caution.....	187
An Explanation.....	247, 378
American Dental Association.....	248, 317, 378
Are the Dental Journals Published in the Interest of the Profession?.....	313
Criticism versus Deeds.....	246
